Pine Flat Night Tournament 2022

FRESNO BASS CLUB MEMBERS,

Well, where do I begin this month? How about with what not to do with your family pets? FBC Member Matthew Mendes went out the family shop to prepare for the Pine Flat night tournament. Matt closed all his rod lockers, checked his tie down straps and hooked up the boat to his truck. He then proceeded to make the one hour and 15-minute drive to Deer Creek from Lemoore. Matt arrived on-time, checked in for the tournament, had his live wells checked and launched his boat.

Once on the water, Matt opened his port side rod locker to take out his rods only to find “Milo” the family kitty all tucked up in the front of his rod locker! Milo had a crawled into Matt’s boat in the shop and was not visible when Matt secured everything for the road trip to Pine Flat. Well don’t worry, Milo only used five of his nine lives on the extremely hot, and bumpy trek to Pine Flat. I don’t know how, but Milo didn’t even have one little treble hook buried into his precious little fur ball of a body! Well at least Mat got to do some cat fishing!!

I went and pre-fished on Wednesday night with Jimmy Arnold. At the end of the night, we were down by the dam and heard someone across the way fighting a big fish and screaming like a little girl. Well, we made it to the ramp at 12:30 only to find out that it

was Ken Eddy who had been screaming because he had caught his personal best, 5.1-pound spotted bass. Congratulations Ken on your new personal best spotted bass!

(I knew I should have run to that wall first, Lol!)

Jimmy Arnold and I also had a great night on Wednesday as well. We caught well over 40 fish throwing crank baits and plastics. I had about 9 pounds, but Jimmy had between 13-14 lbs. from the back of the boat. Jimmy had two largemouth and one spot over 3 lbs. with a handful fish in the 2.5 lb. range.

Other than his new “PB” Spot, Ken had a rough night Wednesday as he found his trailer tire shredded to pieces when he went to recover his boat @ 12:30 AM. Ken said he never felt anything odd when traveling to the lake, but obviously he had been driving on what was left of the tire for a while. No damage to the rim or fender well so Ken swapped out his tire and that was the end of his bad luck for the week!

Now onto the serious stuff, I guess you can all blame me for not putting an end to Ken Eddy's hot streak, he is still on FIRE! I left my bananas on the counter Saturday afternoon, so Ken got to fish “banana free” which resulted in him winning this month's night tournament at Pine Flat with 13.33 lbs. Way to go Ken!! And the streak continues....

Ken said he started down by the dam on the same steep wall where he caught the five-pounder on Wednesday night. Ken stayed there all-night milking one stretch of bank for some good ones. Ken said he threw a senko in 5-10 feet of water with the best bite for the quality fish being between 10:30 and 11:00 PM. He said he caught three good ones during that little flurry. Great job Ken!

Second place went to Jeff Short who continues to lead the Angler of the Year race. Jeff fished upriver, above trimmer, in the standing timber. Jeff was throwing a square bill crank bait around wood and had his limit before dark. He culled one fish on a spinnerbait at about 10:30 a brought in a limit for 12.30 anchored by two 3.41 lb. spots. Way to go Jeff!

Third place went to Tim "I finally got a bite in a damn tournament" Turner! Tim had gone two-night tournaments in a row without getting a bite. That changed this month when Tim weighed in an 11.65 lb. limit anchored by the tournament big fish of 5.08 lbs. Tim said he fished the main lake all night long. He caught the 5.08 spot, at about 7:45 on a crank bait. He caught his remaining fish on a senko. Tim also broke the five-pound limit for the progressive big fish pot. It will be a nice payday for him. What a fattie! (Not Tim)

Rounding out the top five was AJ Dunkin with a 9.32 lb. limit and Chris Tamez with a 7.64 lb. limit.

Ted Taylor gets an honorable mention as he only weighed-in three fish, but they weighed 7.30 lbs.

Pine Flat Results
