FRESNO BASS CLUB MEMBERS,

I have to apologize for the late and brief newsletter this month, but I injured by wrist and typing has become a task to say the least. Fishing will be an even bigger task for me at the TOC. So here it is short and to the point.

First place went to Ken "I'm back in the mix" Eddy. Ken weighed a five fish limit for a total 10.41 lbs. anchored by a 2.53 big fish. Ken didn't reveal much, hoping he will be able to use his knowledge at a shot of winning the TOC.

Ken said he fished the main lake all day at Cottonwood all day. He managed to catch his fish on jigs, drop shot and tubes. Congratulations Ken!

Second place went to Seth Rowe, another “sleeper” in the club who is very quiet, but always manages to take some of our money when he fishes. Seth brought in a limit of fish weighing 10.16 and falling just short of the win. Seth fished the main lake where his best fish came on spoons in 60’ of water. The rest of his fish cam on jigs and worms. Great job Seth! And he even got a haircut for us this month because he knew he was going to get his picture taken.

Third place went to another guy who is always a threat, AJ Duncan. AJ brought in five fish weighing 9.94 lbs. and enough to secure a top three finish. AJ said he fished Temperance, Cottonwood, and the Main lake. He caught all his fish on worms in 30-60 feet. Way to go AJ!!

Fourth place went to Mark Corrente who as usual did not pre-fish and just hit the water running. Mark brought five fish for 9.89 lbs. and just shy of a top three payday. Mark said he fished PRO Worms on the main lake and Cottonwood in depths of 15-30 feet.

Rounding out the top five was Tim “My legs are cold, and my head is sunburnt” Turner. Tim brought in a limit of fish weighing 9.85 lbs. Tim also had big fish of the tournament a 2.84 lb. spotted bass. Tim was also very tight-lipped offering only that he caught all his fish on jigs and in the river. Good job Tim, now you can afford some long pants and a beanie!
