# THE CALIFORNIA DELTA

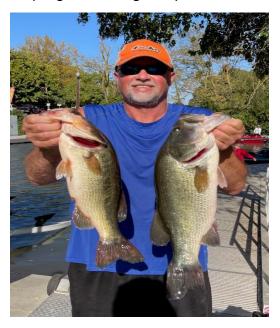

### FRESNO BASS CLUB MEMBERS.

October 2021, the California Delta, the second to last stop for the Fresno Bass Club in 2021. The Delta can be great at times, but in the fall and during the transition from summer to fall patterns it can be tough. Throw in a negative tide and the fishing turns into a gamble.

Some of our club members were there the week before fishing the CenCal Teams TOC and the bite at that time was steady for 10-11 lb. bags with 13-15 lb. bags enough to be in the top three. That tide was high in the morning and dropping out throughout the day, but the week of our tournament we had a negative tide which meant the tide was extremely low on both our tournament days and did not start coming back in until late in the day.

Well Tim Turner didn't let a negative tide effect his fishing. Tim ran down south to the Discovery Bay area where he located fish around docks. Tim didn't only catch a limit; he caught the biggest bag of the tournament on Day 1 topping the scales at 16.89 pounds

and giving him the lead. Tim's big fish on Day 1 was a solid 4.97 lbs. just a couple drops of water short of winning the progressive big fish pot.

Second place on Day 1 went to Byron Taylor who was the only other angler to weigh-in a double-digit bag on Day1. Byron's limit weight and impressive 11.01 pounds anchored by 3.78 big fish.

Third place on Day 1 went to Mark Corrente a five fish limit weighing in at 9.27 lbs.

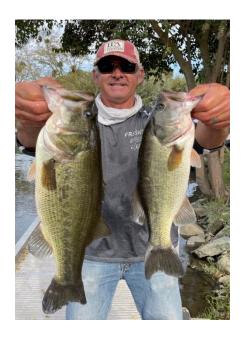

The way it looked after the Day 1 weights, it was possible that Tim Turner could just stay in bed on Day 2 and still win without catching a single fish. But Tim knew that this was the Delta and anything can happen at this place.

Day 2 was supposed to bring strong winds a low-pressure system into play along with the negative tide, but mother nature was nice to us and the wind did not pick up until late in the afternoon.

Well, Tim didn't get the big bag like Day 1, nor did he get a five fish limit, but he did manage four fish for 8.32 lbs. for grand two-day total of 25.21 lbs. and the win! Tim said he threw chatterbaits around docks in Discovery Bay to catch the winning fish. Congratulations Tim!

Second Place went to Byron Taylor who stayed consistent with his weights on both days. On Day 2 he came to the scales with another five fish limit weighing 11.10 lbs. anchored with another 4-pound fish. Byron said he fished craw patterned square bills and a senko. Byron concentrated on the outside weed lines on both days, but he did catch his fish shallower on Sunday. Great Job Byron!

Then there was a little shake up in the standings. Chris Paris who had 7.66 lbs. on Day 1, caught five fish on Day 2 for 11.27 lbs. and giving him a grand total of 18.93 lbs. and third place. Chris caught his fish on the outskirts of Frank's Tract. Chris got on a "hot" crawdad square bill bite on Saturday ripping it through the grass, but that bite died on Sunday. Chris made the right adjustments going through every rod in his rod locker until he c found a consistent bite on an underspin with a Keitech. His biggest fish came after the wind picked up on Sunday. Great job Chris!

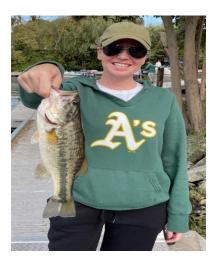

The shakeup was not yet complete as Scott Smith who weighed in 7.92 on Day 1, brought in five fish that weighed 10.87 lbs. and securing his 4<sup>th</sup> place finish with a total weight of 18.79.

Scott Smith did not respond to my request about how and where he caught his fish, but I did here him telling everyone that the spook bite was wide open for him on Sunday.

Rounding out the top five was Mark Corrente who brough in 7.97 lbs. on Day 2 which was enough to squeak his way into the Top 5.

New Member Tasha Sadler got to weigh-in her first tournament bass ever! Way to go Tasha!

## ADDITIONAL DELTA PICS

And finally, we can't forget returning member John Albidrez who caught the tournament's biggest bass and barley enough to win the progressive big fish pot. Congratulations to John who caught a 5.09 lb. beauty on Day 2.
